August 22, 2021

Greetings St. Cyprian's Family;

In line with diocesan guidelines, the vestry is pleased to announce that St. Cyprian's will be re-gathering for in person worship services beginning on St. Cyprian's Day, Sunday September 12, 2021 at 10:30 a.m.

Also, in celebration of St. Cyprian's Day, there will be a church reunion outdoor event on Saturday, September 11th from noon to 3:00 pm.

Capacity is restricted for safe distancing, therefore registration is required for both Saturday and Sunday.

You should be receiving a telephone call from a member of the vestry with more details pertaining to Saturday's event. They can also take your registration for both or any of the days.

. If you plan on coming to church, the following policies and requirements will be in place:

- Registration: Please call the church office and leave your name and number. You must call no later than Thursdays at 6:00 pm. to be on the list of attendees.
- Mask is required for worship service
- No prayer book or hymnal in the pew (you may bring your own)
- Congregation can sing
- Communion will be wafer only
- Offering plate will be stationary (near the font)
- No touching during the peace. Wave or smile
- No coffee hour at this time

Please also feel free to call the church and leave a message if you have any other question or concern and someone will get back to you.

For the benefit of those who cannot worship in person, we will continue streaming the services on the You Tube channel.

We appreciate everyone's patience, flexibility and continued financial support during the last more than 16 difficult months. Safety is our utmost priority. If you have not been vaccinated, please do so, if not for yourself, for others. "We are our brothers'/sisters' keepers". Scripture reminds us to care for each other.

We look forward to seeing many of you.

Sincerely;

Harriet Carmichael, clerk
The Vestry
