The Rt. Rev. Gayle Harris,
Suffragan Bishop of the Episcopal Diocese of Massachusetts
will join us on December 1st.

In these end times as we deal with so many issues in American Society, these 3 Wednesday courses will give us an opportunity to reflect together on how our feelings about ourselves impact how we relate to the world around us and to each other based on scripture and research.

Come join us and be transformed as we prepare to welcome the birth of Jesus once again.
